

public::Station

```
classDiagram
    class public_Station["public::Station"]
    class Metrostation
    Metrostation --|> public_Station
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box with a thin gray border containing the text "public::Station". Below it is a gray rectangular box with a thick black border containing the text "Metrostation". A dark red arrow points vertically from the top center of the "Metrostation" box to the bottom center of the "public::Station" box, indicating that "Metrostation" inherits from "public::Station".
